Happy Holidays Kings River Regulators!

The cowgirls of the KRR put together our last match of the year and man was it a great finale to the year!! A lot of hard work went into these stages, and the decorations and props were awesome! The Grinch was there (but you weren't allowed to shoot him!), elves, presents, and reindeer, oh my! A couple of the highlights (for me anyway) was when you played Jingle Bells by hitting the targets in the right order – beautiful! And also when (okay if) you hit the popper it exploded in a cloud of glittery pixie dust. Everyone then yelled, “whooh!” It was a great match and so much fun, Thank you ladies for a wonderful ending of the year!

At one stage you had to carry the present with you to each shooting position. Most of us inevitably forgot to grab it, and the timer would yell, “Present! Present!”. High Cotton commented, “sounds like my wife!”

KRR Town Council 2022

+++++

We would like to thank our outgoing officers for all of their hard work and welcome the newcomers.

Heading out to greener pastures are former banker Cotton Candy, Blacksmith Two Fingers Slim, and Mayor High Cotton. They have all done an outstanding job the last couple of years (or more!) serving the Kings River Regulators and we sure appreciate all that they have done. Thank you all for serving the KRR!

Now for the new and re-elected officers. Stepping in to the role of Mayor is Big Bad Blaine, our new Banker is Poky Okie, and the new Blacksmith is Yancey Derringer. Be sure to congratulate these new officers and give them as much help as you can! Continuing in their roles will be Dusty Devil Dale as Sheriff, Manny's Granny as School Marm, and Snakebite as our Territorial Governor. We all thank the Town Council for making the Kings River Regulators run smoothly and making it the best little club in the west!

A New Shooter at the KRR

Well, sort of a new shooter-- welcome Buckshot back to the KRR. The son of Justice Loving, who started out as a 6-year-old brass picker, hasn't been cowboy shooting since he left the state seven years ago - but you sure couldn't tell! He's back and better than ever. In fact, he shot so well that Justice was heard to mutter under his breath, "he's starting to piss me off..." 😊

Welcome back Buckshot! We look forward to seeing you at future shoots at the KRR!

#####

At one of the stages Shepherd Book was heard to say: "Red Dead Rob shot it clean with 2 bonuses? It's a Christmas Miracle!" Wow! With friends like that... 😊

Dutch Longhorn knows how to dress with Christmas Spirit!!

Where's the rest of the F-Troop Outrider? Looking good!

In the Noose

This month we feature Till M. Under and put him in the noose!

Till M. Under has been shooting since way back in June of 2008 when Big Bad Blaine gave him a free shoot – and he’s been hooked ever since.

TMU and his wife Ida Misses, who also occasionally shoots, have travelled around the state to various matches and have been as far as Boulder NV for the state shoot there and the Senior Games in Utah. He is a great shot, and we’re glad that his home

base is here with the Kings River Regulators!

When not shooting with his pard, Till M., who lives in Easton, likes riding dirt bikes and racing RC cars. The worst thing about the recent pandemic, he says, is that he “Missed being around everyone, missed all of his friends.” We agree!

For anyone who is getting interested in the sport of Cowboy Action Shooting Till M. Under has some advice: “come out and start talking to everybody -what equipment you need, what to do -and you’ll figure out that it’s a fun bunch of people.”

Lastly, Till M. Under wants to wish everyone in the club a Merry Christmas and he’ll see you next year!

Thank you for talking with the Gazette, and thanks for being a great member of the KRR.

After Justice Loving had his usual tough time with the multiple shotgun targets, Buckshot mentioned that, “He puts the ‘Plus’ in four-plus shotgun...”

I get no respect!

When Tall Tale Todd had a little “potty mouth” at one of the stages, his father stated, “His mother raised him!”
