## Hot Time Shootin'

By: Cole Chance

The hottest thing at Fort Miller thing this weekend was the shooting. Old man weather gave us a little break in the heat and Match Director Portugee Phillips gave us a great day of shooting. Every month I write in this column about another great match for KRR. Well folks, the matches just continue to be, in my opinion, really well done by our Match Directors. Portugee Phillips put on a well-written match with lots of shooting and just enough thinking to make it fun. This was a good match! Good job cowboy!

Everyone owes a big thank you to Coarsegold Kid and Finegold Floozy for their great job of supplying us with cold drinks each month. No they don't magically appear – they are the result of these members' hard work and dedication to hard work and KRR. Thank you , Coarsegold Kid and Finegold Floozy. Without members like you, this wouldn't be the best Cowboy Action Shooting club in the world.

Speaking of couples, did anybody notice one particular couple missing this weekend? Seems like one of our hard working lady shooters and her grumpy old man didn't make it.

I heard something about an all night party. We'll have to talk to these individuals to find out the real story.

Fort Miller 2002 is just around the corner folks. Get your entry in as soon as possible. Remember this shoot is done for the KRR members and for the KRR treasury to allow us to continue to improve our facility.

One important thing – this is your club. If you want improvements or change, you must be involved.

Thought for the day:  
When your mules get old and tired,  
You better have yearlings in the pasture. Or you're out of business.

## Fort Miller '02 Prizes

By: Jessie Montana

It's that time of year again folks – time to think about donating a prize for the shooter's drawing at Fort Miller '02. We have a lot of new folks this year so you may not know how this works. Each shooter gets a prize by luck of the draw when they pick up their registration package. We have several prizes donated by vendors, but the majority of prizes the club will have to buy if we don't get donations from members. The more donations we get, the less we have to buy. See how that works?!

If you want to donate a prize, but don't know what to get, just think about what you would like to get when you draw for a prize. It doesn't have to be expensive. Some of the best prizes are

Western videos. They are always appreciated. Shot shells also make good prizes, a single box or a package of 4 – however you want to go. Western books are popular, and they don't have to be new either. Swanee Rivers has kept e-bay hot the past couple of years and she's got some great books and tapes as prizes.

So be on the lookout for something that you think would make a good prize. I will need to have them by next month's match. If you want to donate but aren't going to make the match, give me a call and let me know so I can get your prize down as a donation. We can figure out how to get it to me.

Remember, this is your club and the more you can do to make it strong, the better it will be.

### **A Big Thanks!!**

By: Ruthless Ruth

Just in case we don't say it enough...**THANKS** to all the club members who have put in so much time and effort to make the KRR what it is today.

Just take a look around, there's the new street in Bay 1, Etta's Place in Bay 2, the mine shaft in Bay 3, Rose's Cantina in bay 4, the new sheriff's office and jail going up in bay 5, Hell Town in bay 6, the ore cart in bay 7 and our most ambitious project Fort Miller in bay 8. All these things didn't just spring up by themselves, it took a lot of planning, hard work and sweat by a whole lot of people. I just want to let everyone who was involved in these projects know just how much your time and effort are appreciated. You are the KRR.

## **RO 1 Course**

**Saturday Aug 17**

Snakebite is planning to give the RO 1 Course At the KRR Range immediately following setup for Sundays match.

This is a great course even if you never plan to be a Range Officer. The course gives you a lot of good safety information and tips on how to put together a good scenario.

Contact Snakebite (Doug) and let him know if your are interested in taking the course.

Phone him at

## D ROUND THE CORRAL

By: Ruthless Ruth

A part of our Western History will be relocating to Branson, Missouri some time next year. If you haven't visited the Roy Rogers-Dale Evans Museum in Victorville, California, now is the time to do so.

The museum opened in Apple Valley in 1967 and moved to Victorville in 1976. It is a great collection of items from Roy's films and his life. We all know that Trigger and Bullet are there, but there's also a great collection of guns, watches, western gear, cars and countless other items that Roy and Dale used and saved. It is a unique tribute to the couple both as western movie stars and as a husband and wife team who were married for 51 years and the life they shared.

For more information, you can check out the official Roy Rogers Web site at [www.royrogers.com](http://www.royrogers.com) or call (760) 243-4547

Check it out before it moves out of the area, it's worth the trip.

Our beloved Mayor says this is the first Sunday shoot in a long time he hasn't ticked someone off. I thought that was news-worthy. Maybe I should have checked with the rest of the shooters, before going to print. Oh what the heck I can always print a retraction next month.

The entries for Fort Miller "02" are really starting to roll in. Get signed up ASAP, it gives you a better chance of getting on a posse with the people you want to shoot with.

I understand Snakebite is now home from his world tour of Oklahoma. Maybe now he can settle down and get back to some serious shooting.

*Ruthless Ruth*
