The Monthly Rag of the Kings River Regulators

Happy New Year Regulators!

Dustbowl Debbie was match director this month and boy did she start the year off right!!

It was a beautiful day for shooting, and shoot we did! 23 pards came out to enjoy the sunshine and camaraderie. Thanks Dustbowl Debbie for a great match!

Shotgun blaze away! He cleaned it in 16 seconds! It was a thing to be seen. Nice job Rusty!

Of course, when this was mentioned at the after-shoot meeting Rusty explained, "I timed myself!" That explains it...

Here's a few mean looking desperados!

+++++

Hey, do you realize that we are already getting ready for Fort Miller 2022? Well we are! And we are going to you're your help to make it the best Annual ever. See the next page for details.

One of the stages was custom made for gunfighters, and boy did Rusty

Some of the beautiful cowgirls of the KRR!
#####

And a few of the handsome cowboys (well most of em, anyway...)

^^

Well faithful readers, I was a posse leader this month so was unable to capture as much of your wit as usual. Sorry about that, but here's a bonus to make up for it:

Alias's That Didn't Make The Cut:
The world just wasn't ready for these...

- Saddle Sore
- Light Load Larry
- Beef Jerky
- Squib
- Mad Sphincter
- Sloppy Discharge
- Stage Wiener
- Bull Calahan

For those of you with weaker constitutions, I apologize. 😬
