Fort Miller 2002

By: Cole Chance

The 7th Annual Fort Miller Shootout was held September 27-29 and by all reports it was a huge success. Mother Nature even gave us some decent weather. Just a few sprinkles on Saturday and much cooler throughout the weekend. As Match Director, there are a lot of people to thank for their help with this match. This column could never be long enough to thank everyone, but I would especially like to thank Jessie Montana, Ruthless Ruth, and my Top Hand Michigan Bob for all their help making this match possible. I'd also like to thank Joaquin Rivers for the Silhouette, SnakeBite for his great Plainsman event, Leadfoot and his gang for the team match, and Wildcat John and Sierra for the One-on-One Showdown. Thanks go to posse leaders Ruthless Ruth, Nine Lives, Leadfoot, Sutter Lawman, SnakeBite, Slick Rock Rooster, and Portugee Phillips. You folks did a fantastic job. Many thanks for your help.

And last, but certainly not least, thanks to all those KRR members who gave their labor, time, and dedication to

this club to make this match possible. Thank you KRR - Great Job Cowboys and Cowgirls!

One last thing - every year as a club we put a lot of hard work into our range and props. I would just like to tell all those who did so much work and were out there on those hot work days - your effort did not go unnoticed. I

received many compliments on our range, our props, and our match. This is all due to your hard work as KRR members. We have the best range, we put on the best match, and we have the best Cowboy Action Shooting club in the world! This is something that all you hard working folks can be damn proud of! You folks are the best. The very best.

Fort Miller 2002 got started with the presentation of colors and a canon salute presented by a group of Civil War re-enactors that included our own Longbranch, Miss Kitty and Blackie.

Followed by a few words of welcome by our Mayor, Cole Chance.

Founders Award.

By: Snakebite

The Founders of the Kings River Regulators recognized two of the KRR's best at this years Fort Miller awards ceremony. **Terrible Ted** and **Ruthless Ruth** both received the top award. The KRR would NOT be where it is today without the long-term efforts of these two members. They are not a "Flash in the Pan". Year after year they have been riding for the brand and have never let the club down. KRR #1, Snakebite and KRR #2, Hank were privileged to make the presentation to Ted & Ruth. With this kind of dedication we can't help but succeed in our quest to be the best that we can be. A Big congratulations to Ted & Ruth, and heartfelt thanks from the entire club.

Thanks!!

The Founders award was given to Ruth and I, but we could not have accomplished what we did without the help of many others. I want to give a special thanks to Fargo and Michigan Bob. Also thanks to our Mayor, Cole Chance, for allowing us the freedom to do what we did.

Terrible Ted

The Banker Says Thanks! Jessie Montana

I want to extend a very hearty thanks to two very hard working KRR members during Fort Miller '02.

Ma Steele, who is a fairly new club member and is also a non-shooter, was there every day to help with registration, run the prize drawing, and help with raffle ticket selling. I couldn't have done it without her help. Ma is the kind of club member we need more of - willing to help at whatever is needed. Thanks Ma for a job well done!

I also want to extend a great big thanks to my ace number one helper, month in and month out, Swanee Rivers. Swanee is also a non-shooter, and she is one of our hardest working members. She comes out every month to help with sign up and to input all the scores. And she puts up with my crap every month, and still comes back the next time! Those of you who know me well, know that says a lot about her fortitude! For Fort Miller, she was there every day, helping with registration and prizes, but her main duty was selling raffle tickets. And all of you who got hit up by her - again and again - know what a good job she does of that! She is raffle ticket seller extraordinaire! Thanks Swanee!

These ladies are the kinds of club members that we really need to appreciate. Most of us get the pleasure and satisfaction of competition, but they give all that hard work without those rewards. Next time you see these two hard working cowgirls, give 'em a great big Thank You! I know I will.

Junior Champ

Our very own Little Fawn, took top honors in the Junior Class at the John Wayne Shoot this month. Grampa and Gramma (Geo Kid and Dangerous Dar) are really proud of her, and so are we. Congratulations, keep up the good shootin'.

The Mother of all Plainsman

Once again the KRR put on the best Plainsman event the world has ever seen. Cowboy after cowboy made their way through the perilous course of fire. Some had to stop and take on Oxygen part way through the journey, but all eventually succeeded in making it through the course. The Plainsman event is fast becoming another of the standout reasons that Fort Miller is the BEST annual match anywhere. It takes courage to enter the "Mother of all Plainsman". It ain't for sissy's or the faint of heart. This is the most physical event that that I have ever seen in Cowboy Action Shooting. Now that is not to say that everyone with the equipment can't shoot it, because they can...and do, but if you plan on being in the winners circle you better practice your wind sprints!

When the smoke cleared and the dust settled it was El Lazo who

came out the top Plainsman. This is the second year in row that he has squeaked his way into the winners circle. After the

last shooter blasted the event to a halt a drawing for two C & B pistols was held for the participants. The two lucky cowboys were Nine Lives and Texas Jack, who each took home one of the steel frame 1851 Colt Navy revolvers used in the match. This event is growing in popularity, and my guess is that it will be even bigger next year. I think pre-registration will be necessary. Nobody else has an event like this, though I'm sure it won't be long before it is copied. It's just too much fun not to be!

TOP HAND

The Top Hand Award for "2002" was awarded to Michigan Bob by Mayor Cole Chance. Each year the Mayor picks a KRR member he feels has gone above and beyond, working to make the club and range better, and Michigan Bob certainly fits that description. Congratulations Bob.

Just two of the raffle prize winners. Tucson Smith (above) went home with a brand new gun safe and Quick Silver Slim (below) went home with a brand new pair of 1858 Remington Cap and Ball Pistols.

Blaz N Bill won the Jax Leather Certificate and Deadly Tedley won the Special Edition Colt Single Action 22 revolver.

Deadly Tedley had donated the revolver as a raffle prize, so he turned it back to the club to auction off, Shiloh was the lucky bidder.

Cisco Pike donated a beautiful belt and holster set to be auctioned. Payback Princess was the lucky high bidder.
