## Missed One

By: Cole Chance

I hear November's shoot was a good one – apparently the 63 shooters who showed up all thought so too. It would have been 64, but I was incapacitated. That's a fancy word for I was hobbling around on crutches. I sure could have used Hoss's "underwear putter-on-er" apparatus. It would have come in real handy! It was really hard not to come out and enjoy everyone's company, even if I couldn't shoot, but I finally decided it was best for me to stay home and recuperate. Heard everyone else had a great time though, and I'm sorry I missed it. I'll be there next month!

It's that time of the year again folks – time for KRR elections. If anyone has a nomination for any of the offices, get it to me ASAP. The vote will be after December's match. On that same subject, FRPC elections will be held in January at the annual meeting. I encourage all FRPC members to show up for the meeting. Also, if you are an FRPC member, please go up to the range house and sign the nomination petitions. They have to be

completed and turned in by Dec 5, so if you haven't signed, and can get by, please do so.

We are considering a 2 day long range event for May. The only weekend available is the 2<sup>nd</sup> weekend, which is also Mother's Day weekend. I would like to hear from you as to whether you would be interested in doing the shoot that weekend. I realize it may conflict with family plans, but it is the only weekend available before it gets too hot to shoot or too close to next year's Fort Miller. Preliminary plans are for all types of long-range. There will be a class for all cowboy rifles including single shot, rifle caliber, and pistol caliber. So let me know what you think about that weekend as a date. I need to get it finalized soon if we are going to do it.

## THE LAST WORD FROM THE BLACKSMITH

By: Terrible Ted

Well my days as Blacksmith on this range are numbered, and I just wanted to take this opportunity to say thank you to all the KRR members who worked so hard to make our range one of the best around.

This has been a really good year, some of the things we accomplished are:

## Winter Hours

Shooters Meeting  
9:00

Shooting starts  
10:00

- \* New building front in Bay 1
- \* Shade in Bay 6
- \* Building Hell Town in Bay 6
- \* Our new oar cart and building in Bay 7. A special thanks goes to Buckskin and his crew for this. I heard so many good comments at the annual regarding the oar cart and it wouldn't have happened without Buckskin, Geo Kid, Marshall Harden Steele, Beanpot, Longbranch and a big bunch of volunteers who helped lay track and build the shed to store the cart in.
- \* The new landscaping around the flag pole area, thanks to Miss Kitty and Longbranch.

This is only a partial list of the things we accomplished this year, and there were a lot of willing people who turned out for work parties, just to do general clean-up spruce-up work.

I have really enjoyed my time as blacksmith, but the time has come to turn over the reins to some new blood. Give some serious thought to who you might like to see running the place for the next 2 years and get your nominations in to Cole Chance. There are a lot of ideas still kicking around out there for projects for the coming year, so get behind the new blacksmith and give him the same help and cooperation you have given me during my term in office. If you do, things will only get better.

Thanks again to all the KRR members who gave their time and hard labor this year, if I start naming names I'll forget someone, we couldn't have done it without you.

## Elections KRR

December is election month for Kings River Regulators. Get your nominations into Cole Chance prior to December 12th. Be sure to check with the people you're nominating to be sure they are willing to run for office.

There will be a meeting after December's shoot to cast ballots and discuss anything of importance.

## Elections F.R.P.C.

If you are a member of the FRPC Range, drop by the range office and sign Cole Chances nomination petition. He is running for President of the range.

Support the Range and the Cowboy shooters by taking an active part in election of officers for both organizations.

## ROUND THE CORRAL

By: Ruthless Ruth

You might have noticed our fearless leader was MIA in November. Seems he had a little knee surgery and was a little immobile, but I have it on good authority he's on the mend and will be back kicking butt and taking names real soon.

I hear Tucson Smith came up with a new name for Michigan Bob, it's "Miss Again Bob", ouch!!

J. L. Hank shot stage 5 without benefit of rifle sites, seems he forgot to raise them. The best part of the story is, he didn't miss one rifle shot. Good going.

There were 15 shooters who got the double bonus on stage 3. That's not bad shooting, considering how small those clay birds are and how far away they were.

Stage 4 was a rough one for Tucson Smith, he complained all day because he didn't get enough coaching from Terrible Ted and he wanted overs. That's the first time Terrible Ted has been accused of not talking enough. This sport is just full of firsts.

Noticed a new sign on the Beanpot Café. Daily specials are 50¢, they have fresh fish and the best steaks in Fort Miller.

The reason we haven't seen much of Denver Rose (one of our Junior shooters) lately, is because she's been busy taking care of her new mount (a pretty new Mustang).

Levi Longneck, Roughcut, Beanpot Coal Train, Cody Coyote, Leadfoot and Smokem Joe take bead on Bin Laden. Funny thing about this stage was, just as many people were taking shots at Terrible Ted as they were at Bin Laden.
