Rifle and Shotgun must be shot from Pos 2

Gun Order: Pistol -- Rifle -- Shotgun

Coin-toss determines L or R sides

START: Pos.1    HANDS: On Hat

Both Shooters Indicate Ready

AT THE GUNSHOT:

**WITH PISTOL(S):** First, Shoot the five targets on the vertical frame once each in any order  
Then sweep the five square targets Left to Right or Right to Left

**WITH RIFLE:** First, drop the five cowboys on your horizontal rack  
Then drop the five tombstones

**WITH SHOTGUN:** Drop the four black knockdown targets in any order  
with as few rounds as possible  
Then drop your side of the **RED** duelling target

OPTION: Rifle misses may be cleared with SG prior to shooting final duelling target

Each Competitor pair must jointly decide whether to allow the SG Make-up option

TO WIN:

All targets must be hit. All plates must go down \*

FEWEST MISSES DECIDES THE WINNER

Center target decides winner **ONLY** when misses are tied,

\* Buckaroos-ettes must hit targets, but plates do NOT need to go down
