Whata Shoot

Shootin whilst a horse can get perty dern hairy. Specially when you gotta foller SASS rules which state you cain't cock yer hogleg whilst on the move! Gettyup -whoa, Gettyup-whoa, Gettyup-whoa, gets a bit hard to remember, don't it Rene-gade?

Anyhow, we all made it through the pony stage without toooooo much difficulty.

How bout that Samurai, he gone an built us a Stagecoach! And a dandy one at that. I think that was my favorite stage (no pun intended) cause I cleaned it! Ifin you think this here game has gone to the dogs, yer right! Both Deputy Dog and Bull Dog aced us out. I think we oughta put that ball and chain on Deputy Dog just to give us regular folks a chance.

We had a good turnout for our October shoot, even though SOME FOLKS went a huntin. Can't understand why anyone would go a huntin instead of supportin the Kings River Regulators in their never ending quest to right all wrongs and do away with all evil doers. There, that should make yall feel real bad. You know, you never even invite me!

Yessre, Samurai did hiself proud. I'm always impressed at how each of our Regulators rises to the occasion. Thanks partner fer a job well done.

IT'S OUR FIRST

December will be one full year since the Kings River Regulators arrived at Fort Miller. As you know we are having a special anniversary match. Things are taking shape and I'm sure that it will be a time to remember. We will have an excellent prize pool for the shooters drawing, plus maybe a raffle or two. At the Oct 5 meeting, it was decided to limit the number of shooters to 80, with the Mayor having discretion to adjust as necessary. The cut-off date for entries will be Dec 1. We have invited the Chorro Valley Regulators and the Five Dogs Creek Posse to join us. Some of us will be camping at the range starting Fri. thru Mon. Come join us. Especially Fri., cause we need HELP setting up the 8 stages. We need HELP on Mon. taking them down too! Don't let us down, be there if you can. Long range and pot shoots will start Saturday at noon. Pistol caliber long range too. Don't miss this action. Main match starts Sunday at 9am. Mandatory shooters meeting at 8am. You will want to be there all day Saturday to visit the suttlers row. It will be an opportunity to purchase items from people who cater to our needs. Remember, this match is \$30 and will be the only one in December. It will go rain or shine! There will be no refunds.
