MAY'S A LU'LU

The May shoot was a day of great weather, good food and a real nice crowd of shooters (61 shooters-our biggest this year).

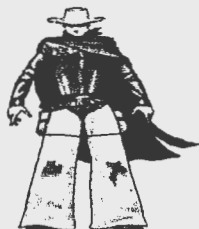

This month we tried something a little different, hope all you folks had a good time. Sure was nice to see some of the shooters from 5 Dogs, in Bakersfield, come up and visit us.

I would like to ask all members to help us out with our tree project. Remember nice shade feels real good when it's hot, and the trees will really improve the overall appearance of our range.

Fort Miller 99 is coming and we need your help, please, any ideas for a prop, targets or scenario will be greatly appreciated. Your club needs your help to make this a great match, turn any ideas in as soon as possible. Thanks!

I know that it seems to a lot of you that the KRR is always asking you for help, but I hope you realize that without members helping out with new ideas and working on work days, this club will simple go away. If you have doubts about that, simply look around at the other clubs that are struggling and the ranges that are closing all across this great country. Don't wait for someone else to do it, jump in and help out. If you're a new member don't be shy, give me a yell, the KRR needs all members to be involved!

Cole Chance

FREE LUNCH

Everyone who comes out for the work party, on Sunday June 13 (**and works**) is invited to lunch at the Bean Pot Cafe. After lunch and some visitin', we might sneak in some long range, for those interested.

Work Party Sunday, June 13 8:00 A.M.

Bring your rakes, hoes, shovels and weed whackers, along with your energy and desire to help. We're doing a general range cleanup, planting some trees and installing a drip irrigation system. If we want to keep shooting, we have to get the weeds knocked

down, and the sooner we get those trees planted the sooner we have shade. Everyone try to make it, we need all the help we can get.

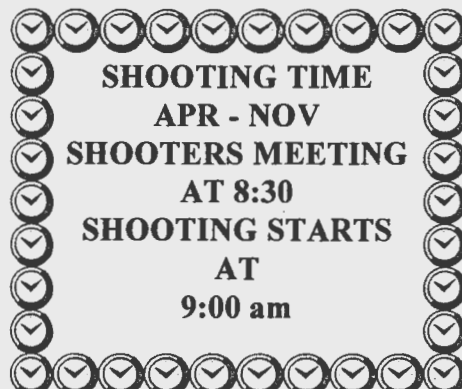

Buckskin

End of Trail 99

Well the 18 Th EOT has come and gone. This year EOT was dedicated to Roy Rogers, and the stages were all setup around some of Roy's best movies. We opened with a tearful and heartfelt thank you from Dusty (Roy Rogers Jr.), and

SHOOTING TIME
APR - NOV
SHOOTERS MEETING
AT 8:30
SHOOTING STARTS
AT
9:00 am

There was a huge turnout, I don't know how many but the Saturday night affair was packed. Sudden, Sam Luis, Leadfoot, SLO Hank Davidson, Tom Doodley Squat and myself shot the match. Portuguese Phillip and T Bone were conventioners, Sierra was running the VIP tent, 3-Fingers Red was spending money, Doc James was making money, and a whole passel of CVR folks were working as Waddies. So, as you can see, there were many familiar faces around. I'm not sure, but I think Portuguese Phillip and T-bone slipped me a Mickey Finn Thursday night, because I sure didn't feel or shoot well on Friday. O-well, revenge is sweet. Our Fort Miller match is much more fun to shoot than EOT but if you haven't been to an EOT, it is worth seeing. See you all next month, I'm off saving the world

So here I am this Father's Day standing
in the sun.
The boys call "you're on deck - go and
get your gun".
Wichita Willie's up, Barbara yells
to me.
Had to change my name again, to do
this, you see.

This is a really fun shoot!!

This is our big match so sign up now before the spots are all filled!!

Trees We Need Trees

Thanks to 5 Dogs we already have our first donated tree. They stepped forward at Sundays shoot and said they would like to help out. (*If anyone can appreciate a little shade, it's the Bakersfield crowd.*)

Heard Round the Corral

If you missed seeing Hoss's birthday cake before it was cut up, it said something about mourning the passing of his youth, and had a whole bunch of black candles on it. Guess they had second thoughts about lighting those candles, no one had a fire extinguisher. Like Gail says, "Gotch Ya". **HAPPY**

I want to thank 5 Dogs for my *Bad Mama Award* they gave me, might explain why my kids are a little warped, honest I didn't mean to ignore that kid, and I really did mean to load my pistols, I just plum forgot

Those people from Bakersfield are
wild and crazy guys.

Gene Autry's Cowboy Code

The Cowboy must never
shoot first,
hit a smaller man, or take
unfair advantage.

He must never go back on
his word, or a trust
confided in him.

He must be gentle with
children, the elderly,
and animals.

He must not advocate or
possess racially or
religiously intolerant ideas.

He must help people
in distress.

He must be a good worker.

He must keep himself clean
in thought, speech, action,
and personal habits.

He must respect women,
parents, and his
nation's laws.

The cowboy is a patriot.

*Simple works, but if they are followed
they will bring you a life filled with
happiness and fulfillment.*

FORT MILLER RAFFLE

Don't forget to get a book
of raffle tickets, to sell or
buy yourself, from Jessie
Montana for these good
prizes.

1 st Place: Sharps Rifle 40-
65 with tang and front globe
by C-Sharps/Montana Ar-
mory

2 nd Place: Custom Belt
and Holster by JAX Leather.

3 rd Place: Custom Hat by
Tonto Rim.

All three are great prizes, they
should be real easy to sell.

MONTHLY SIGN-UP

I really enjoy myself at sign up each
month. Swanee Rivers and I have fun
joking and giving everyone a hard
time (we get it back a lot too). I would
probably work sign up even if it
weren't my job as Banker.

But I do have a favor to ask of you.
The shooters' meeting is supposed to
start at 8:30. Most times we're on
schedule, or pretty close. But if you
look around at 8:30, there are still a
lot of people who are just getting there
to sign up. I am a shooter too, and I
am supposed to be at the shooters'
meeting. And often there is stuff
talked about the Swanee would like to
hear as well, but we rarely get to at-
tend because we're still signing up the
latecomers and getting the posses or-
ganized.

I'm almost always in the office by
7:30, and ready to take signups shortly
after. I can count on Bearpaw, Hawk-
eye O'Riley, Toeless Joe and a couple
of others to be there promptly at 7:30,
and I know there's several folks who
will be there shortly after that. But
after that I spend a lot of time looking
out the windows wondering where ev-
erybody is. Seems a whole bunch of
you sleepy heads come pouring in be-
tween 8:15 and 8:30. Quite often the
shooters' meeting is over and the
Mayor calls for the posse lists to be
read, but Swanee and I are still
double-checking that all is correct
since we just got through signing up
the last slowpoke.

Now I realize everyone (including
me) runs a little late once n awhile,
but there are some folks who just don't
seem to be able to get there on time
ever. So if you're one of them, try to
set your alarm just a few minutes ear-
lier, drag your carcass out of bed and
get to sign up no later than 8:15. That
way everyone will be signed up, the
posses will be ready and everyone gets
to attend the shooters' meeting.

**Thanks,
Jessie Montana**
