Hot August Day

By: Cole Chance

61 shooters came out on hot and muggy day to enjoy this month's shoot. This month's Match Director was Levi Longneck. This was the first match that Levi had put on, and he is an example of what a Match Director truly is. He wrote and provided copies of all the scenarios, came out on Saturday to supervise the match setup, and made sure the match teardown was completed on Sunday. He put a lot of time into this match, and it was appreciated. Levi is a fine example of a hard working KRR member. Good job Cowboy!

Volunteers Needed! All those club members not shooting Fort Miller 2002 – we need your help! Your club needs you! Matches like this don't run themselves. If you can help out, please call me and donate a little time for your club.

I would like to thank our Territorial Governor, SnakeBite, for teaching the RO Class this weekend. And especially thank those shooters who took the time to take the class. To me this is one of, if not the best, things ever done by SASS for Cowboy Action Shooting.

A big get well soon to one of our founding club members, Bearpaw, who is under the weather. Bearpaw – get well soon and come back and play with us. And quit harassing the nurses!

D ROUND THE CORRAL

By: Ruthless Ruth

First off, really sorry to hear about Bearpaw being on the sick list.. Really missed him and his motorized horse Sunday. From some of the comments I saw on the get well cards a bunch of the other cowboys and cowgirls missed him too, and more than a few of them were worried about their "Apple Pie" connection. Hope all goes well and you're up and around real quick.

Hot dang!! I didn't forget how to shoot. Maybe I should take a month off every once in a while cause I shot pretty well, for me that is, this month. Got to shoot with the match director and I didn't hear anyone call for a rope, so guess he didn't do too bad.

Our newest club members are a Grandpa and Grandson duo, Papa Willie and Tombstone Bubba. Papa Willie, cleaned a stage Sunday, not bad for his first shoot, and Tombstone Bubba liked shootin' well enough to sign up for Fort Miller "02". Welcome aboard guys, glad you enjoyed yourselves.

Also understand that T. Coleman Elder got his first bird, congratulations.

Cowboys are always willing to share, and that was real apparent when Mariposa Slims' shotgun broke on his first stage Sunday. Leadfoot stepped right up and let Slim use his shotgun for the rest of the match, that's the way to play the game.

Congratulations to Little Elk on her win in the Ladies Traditional class. She's been getting better and better all the time.

Looks like Fort Miller is armed and ready for action, thanks to Michigan Bob, who installed the new canon and gatling gun. With the Fort Miller sign and KRR flag, the old fort is really looking good.
