And Speaking of the Annual, An Update from the Match Director

Hello all you Johnsons. At this point things are looking good for our Fort Miller match. This year's theme is the Johnson Family reunion. We are getting registrations in at a rapid pace right now and I expect to fill up early. At this point we ran into a situation with the Online signups (Editors Note: Online signups are fine now with paypal). So I suggest that you go to our web site and down load the entry sheets and send them in. We are on schedule to one of the best CAS matches available anywhere. You don't want to miss this one.

A GREAT MATCH IN DECEMBER!

Mayor High Cotton put on a great and challenging match – and we got to ride in the ore cart!!! I tell you what, you know that it's a challenging match when High Cotton went to announce the list of clean shooters, and he just turned that page over because there weren't any!! What fun though. 14 shooters ended the year with a bang (do you see what I did there? 😊), and Coyote Carson came out at the top of the heap. Congrats! See you all in January on the 17th (practice shoot on the 16th). Let's start the New Year off right!
